

8' Land Leveller

£861.12

Reference: MLL9

C/W cat 1 lift pins. Max 75hp. Manufactured to the highest standard, with a robust and durable steel construction. Highly effective machine, ideal for land reclamation. Leaves level surface, safeguarding expensive drilling machinery. Easily converted into transport position. No maintenance is required as there are no moving parts. Flexible and easy reversible to give a smooth final pass. All levellers have 3 forward cutting blades and 1 reversed for smooth finish. Easily reversible for smooth levelling of sand ménage, horse arenas etc.
