

Versatile Boom 1.3m without Mounting Kit

£204.00

Reference: BBN759

Versatile Boom 1.3m without Mounting Kit A 1.3 metre wide boom kit which can easily be fitted to any sprayer with a 6.8 litres min pump or larger. The Versatile Boom kit is a 1.3 metre wide boom kit which can easily be fitted to any sprayer with a 6.8 litres min pump or larger. This boom kit will spray approximately 4.5 metres wide and each spray nozzle can be independently switched off allowing spray from a single nozzle to the full 4.5 metre width. Easy to fit to most ATV Sprayers/Quad Sprayers, it has an add on kit, that has a pump larger in capacity than 6.8 litres min output. Supplied complete with 3 standard anti drip nozzle assemblies across the centre section, and has a side spray nozzle at each side that is adjustable in angle and can be shut off individually. ✓ Safe with herbicides ✓ Safe with fungicides ✓ Safe with pesticides
